## Crepe Paper Tassels

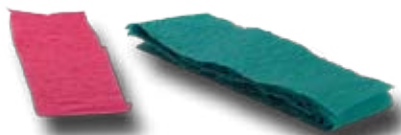

### Materials

Crepe Paper  
Glue  
String  
Scissors

### Steps

Cut two strips off the end of a roll of crepe paper. Cut a small piece - up to the first fold from each roll to be used as a wrapper in a later step.

Cut narrow strips into the thick piece.

Cut the ends of the folded strips open at the end the narrow strips are cut from.

Thread string through the folded end. Fold the small piece in half lengthways.

Scrunch the tassel around the string and wrap the folded small piece of crepe paper around and glue in place as pictured.
