

Materials

Square paper
Scissors
Felt pen

Steps

Fold the paper in half across the diagonal and open.

Fold the two side corners in to meet the middle fold.

Fold both sides together. The fold line is the same one that we made in the first step.

Fold the neck down inside as pictured ...

... and then fold up inside

Fold the top down to the inside to make the head. Looking from the top, or head, this is what the folds look like.

Cut a scalloped shape along the bottom. Draw on an eye and decorate the tail feathers.
